Office of the Principal Memorandum No. 5, s. 2026

Date: 19 February 2026
To: All Junior and Senior High School Teachers
Thru: Assistant School Principal and Head Teachers
Subject: **Implementation of the 555 Strategy in the Teaching-Learning Process**

In line with the school's commitment to strengthen instructional practices and improve learning outcomes, this Office directs the implementation of the **555 Strategy** in the teaching-learning process.

A. Rationale

The 555 Strategy is designed to ensure learners' understanding of the day's lesson, provide immediate feedback to students, and assess the effectiveness of teaching practices. Through regular formative assessment, teachers are able to monitor learners' progress, address learning gaps promptly, and enhance the overall quality of classroom instruction.

B. Key Features of the 555 Strategy

1. **5 Questions** – Teachers shall administer five (5) questions related to the day's lesson.
2. **5 Minutes** – The activity shall be conducted within five (5) minutes during the last five to ten (5–10) minutes of each class period.
3. **5 Days** – The strategy shall be implemented across all teaching contact days of the week.

This strategy aims to ensure understanding of the day's lesson, provide immediate feedback to students, and help teachers assess the effectiveness of their teaching.

C. Guidelines for Implementation

1. The 555 Strategy must be clearly reflected and incorporated in all Daily Lesson Plans (DLPs) and other instructional plans.
2. Implementation and submission of lesson plans reflecting the 555 Strategy shall begin next week following the existing schedule of submission.

3. Head Teachers (HTs) are directed to monitor the implementation and provide guidance and support to teachers to ensure proper utilization of the strategy.

Immediate dissemination of and strict compliance with this Memorandum are hereby directed.

For your guidance and compliance.

Sincerely,

Julius D. Somera

OIC, Principal

Public Schools District Supervisor
